AIRCRAFT CLEANERS

Cee-Bee® has a complete catalog of approved aircraft cleaners that are environmentally friendly and designed for safe and effective cleaning of your aircraft.

Aircraft cleaners by Cee-Bee® range from exterior cleaners and polishes, to CIC and temporary coating removers, to aluminum brighteners and polishes. Interior products include glass, disinfectant/deodorizing and general-purpose cleaners.

Cee-Bee® aircraft cleaning products are available in a range of sizes to meet the needs of your operation.

Cee-Bee® products are engineered to meet the maintenance needs of the airline industry around the globe. Providing optimal performance that is both cost effective and environmentally conscious, the diverse Cee-Bee® catalogue has products for turbine engine cleaning, wheel, brake and landing gear overhaul, paint stripping, cabin and fuselage cleaners, lavatories, chemical processing and FPI/MPI inspection. Ask your Cee-Bee® representative to help you specify the right product for your aviation application today.

PRODUCTS THAT KEEP THE AEROSPACE INDUSTRY SOARING

EXTERIOR CLEANERS

Super Bee™ 210 Cleaner	Concentrated, dilutable general purpose cleaner. Safe on painted surfaces and all materials common to aircraft construction.	Boeing D6-17487 and D6-7127; AMS 1526A, 1530B; Airbus CML 11-0010; Boeing CSD-1 and DPM 5216; Embraer
Cee-Bee® A-882	A water-dilutable, general-purpose cleaner for aircraft exteriors. Safe on all aircraft metals, acrylic, polycarbonate plastics, good quality paints, and polyimide wire.	Boeing CSD-1; Boeing DPM 5278-2; AMS 1526B; MIL-PRF-87937D Type IV
Cee-Bee® A-883	A thickened, general-purpose cleaner for aircraft exterior surfaces and gear and flap well cleaning.	EPA 796.3100: Aerobic Aquatic Biodegradation; MIL-PRF-87937D, Type III
Cee-Bee® 280	Versatile, water-based alkaline cleaner for aircraft, ground support equipment, trucks, trailers, buses and rail cars.	AMS 1526C & 1527C; Boeing BAC 5744, 737 & 747 Manuals; Boeing DPM 3017-1; Lockheed EPS G32.241
Cee-Bee® 280 Gel	A ready-to-use gel designed to clean aircraft, component parts, gear and flap well areas.	AMS 1526B; Boeing D-17487, Rev. N; Boeing CSD-1
Cee-Bee® A-6	A transparent "soil barrier" designed to prevent the redeposition of soils and carbon exhaust deposits on painted aircraft.	Lockheed Martin; T.O. 1-1-1, 3-11; Grumman Aerospace GC 130EB1
Cee-Bee® Major Clean	Heavy-duty dry wash cleaner for removing oxidation, soot, "jetbridge rash" and carbon deposits from exterior aircraft surfaces. Produces a high-gloss finish on painted surfaces.	AMS 1526B; Boeing D6-17487 Rev. P

WHEEL & BRAKE CLEANERS

Super Bee™ 300LF	Low-foaming aqueous emulsion cleaner for immersion, spray wash, spray/rinse, steam injection, ultrasonic and pre/post NDT cleaning applications.	Goodrich; Honeywell; Messier Bugatti Goodrich CMM32-41-83; Airbus; Boeing BAC 5744, 5749, & 5763; AMS 1526B, 1537A, 1537B; ARP 1755B
Super Bee™ 300LFG	Low-foaming aqueous emulsion cleaner for immersion, spray wash, spray/rinse, steam injection, ultrasonic and pre/post NDT cleaning applications. Contains no nonylphenol ethoxylates.	Goodrich MP10-007; AMS 1537B; Boeing D6-17487 Rev. N; Boeing BAC 5749 & 5763; Boeing DPM 6373-7; ARP 1755B
Cee-Bee® A-7X7	Liquid aqueous degreaser approved for immersion, spray/rinse, steam injection, ultrasonic and pre/post NDT cleaning applications. Safe on all common aircraft & turbine engine alloys.	Boeing BAC 5763, Type 1; Goodrich; Honeywell Aerospace; General Electric C04-165

SOLVENT CLEANERS

Cee-Bee® A-951	Removes Corrosion Inhibiting Compounds (CICs), grease and shop oils. Evaporates slowly, leaving no solvent residue.	AMS 1526B (Partial Testing); Boeing D6-17487, Rev. P
Cee-Bee® A-952	A slow drying, odorless solvent for removing Corrosion Inhibiting Compounds (CICs) adhesive residues, greases and oils.	AMS 1526B; Boeing D6-17487 Rev. L; Goodrich; Boeing DPM 6561
Cee-Bee® A-953	A thickened, slow-drying, odorless solvent for removing Corrosion Inhibiting Compounds (CICs), adhesive residues, greases, oils, carbon and rubber residues from aircraft wheels.	Boeing D6-17487 Rev. P; Boeing DPM 6561-1; Goodrich
Cee-Bee® A-954	A citrus solvent for general cleaning, adhesive removal and removal of Corrosion Inhibiting Compounds (CICs).	AMS 1526B (Partial Testing); Boeing BAC 5750; Boeing D6-17487 Rev. P; Boeing DPM 6561-2

INTERIOR CLEANERS

Super Bee™ 210D Cleaner	A ready-to-use, general-purpose cleaner designed for cleaning aircraft interiors. Available in convenient spray bottles.	Boeing D6-17487 Rev. N; Boeing D6-7127 Rev. K; Boeing CSD 1 and DPM 5216; AMS 1526A; AMS 1530B.
Cee-Bee® Intex 8992	A pleasantly-scented, streak-free, ready-to-use cleaner for windows, mirrors and stainless steel. Available in convenient spray bottles.	AMS 1534A; AMS 1535; Boeing D6-17487 Rev. H; Boeing CSD-1
Honey Bee™ 90 Cleaner	A general-purpose, deodorizing cleaner for aircraft lavatories, toilet shrouds, galleys, vinyl flooring and other interior surfaces.	AMS 1550B; Boeing CSD-1; Boeing D6-17487 Rev. M
